# Our Story

Our founder, Susan Gregg Koger, has always had a penchant for vintage & a knack for spotting the most fabulous finds. But, a gal's closet can only hold so much! So, with her wardrobe overflowing with swoon-worthy styles, she started ModCloth.com — right in her dorm room.

From those humble beginnings, we've grown into the top online shopping destination for indie, retro, & vintage-inspired fashion. Personal style is part of the art of self-expression, & our chic collection makes it easy to put the 'you' in 'unique'!
